

# Soft Care® Fresh

## General hand wash

### Description

- Soft Care® Fresh is a highly effective general hand washing product, suitable for application in a wide range of areas such as public areas, restaurants, offices and schools.

### Features

- General hand cleanser based on a synthetic surfactant blend, pearler, salt (thickeners), dye and preservative.
- The surfactant blend ensures excellent removal of (greasy) soil, emulsification of removed soil and stabilisation of the emulsion.
- Formulated with a fresh fragrance that does not linger after washing.

### Benefits

- Excellent cleaning performance.
- Contains perfume, delivering freshness.
- Efficient product – value for money.

### Application areas

- Food Service
- Hospitality
- Lodging
- Education
