The Original MotorScrubber.

Small machine, big power.

Designed for small, hard-to-reach areas, M3 takes on stairs, edges, bathrooms, and kitchens with ease. Deep clean your confined spaces and experience outstanding results every time.

Powerful rotary scrubbing cleans tricky areas often neglected by other machines. Able to withstand 7kg/15lbs of downforce, the motor's extreme torque makes the M3 unstoppable.

From floor cleaning to wall scrubbing, the possibilities are endless with the telescopic handle that adjusts the machine height to suit any user. Waterproof construction means M3 is also perfect for poolside and waterline cleaning.
