# HYGIENE HANDS

FOAMING HAND CLEANER - ANTIBACTERIAL - FRAGRANCE FREE

## DESCRIPTION

Hygiene Hands is a foaming hand soap with antibacterial properties. Sealed pouches prevent the intrusion of bacteria and cross infection. Designed to leave hands clean, soft and refreshed. Fragrance free, will not impart any residual perfume.

## AREAS TO USE

Food area hand wash stations.

## DIRECTIONS

Apply soap to hands.

Place hands under warm running water & wash well. Ensure that webbing on hands & fingernails are cleaned & scrubbed. Dry hands thoroughly with paper towel. Never wash hands in a food preparation sink. Use sinks that are clearly identified for hand washing. Ensure a nail brush is available. Provide sanitiser in hand washing area.

## SAFETY

Classified as non-hazardous according to the criteria of worksafe Australia. Carefully read the Material Safety Data Sheet (MSDS) before using this product.

## USE WITH

Soap Dispenser

## PACK SIZE

800ml Pouch
