

CLEANSHOT

STAINLESS STEEL POLISH

Cleanshot Stainless Steel Polish is specially formulated to protect and enhance stainless steel surfaces.

When applied as directed surfaces will resist finger marks and provide protection to a wide range of surfaces such as cook-tops, benches, sinks, plastic laminates, wall tiles and leather.

- ▲ **CLEANER** – Protect and enhance stainless steel surfaces.
- ▲ **SAFER** – No mixing required.
- ▲ **HEALTHIER** – Ergonomic bottle.

DIRECTIONS:

1. Spray directly onto a lint free cloth.
2. Wipe over the surface to be polished.
3. For best results buff off with a clean dry cloth.
4. If surface is heavily soiled, clean first.

SAFETY INFORMATION

Do not mix with any other products. For further information and safety instructions see product label and Material Safety Data Sheet/Safety Data Sheet.
