

Eliminate Those Unwanted Malodors

Since 1955, Super N's proprietary odor counteractant has eliminated the strongest malodors imaginable. Our Concentrates provide the most technologically advanced method of odor neutralization with just one application. Super N Concentrate can keep virtually any facility odor free for up to 24 hours.

Super N Concentrate was originally introduced to eliminate odors and freshen the air in healthcare environments. The concentrate is non-toxic and environmentally friendly.

TAP-A-DROP AIR FRESHENER

Just one drop per 1000 cubic feet (10' x 10') will counteract and neutralize malodors for up to 24 hours in the air.

This 1/2 oz. bottle will give you up to 400 applications.

ODOR BLOCK™ AIR FRESHENER

Convenient natural wick odor counteractant. **Odor Block** will quickly suppress odors in virtually any location. This product will dispense more rapidly as temperature rises or when air flow increases across the surface of the block.

DEODORIZING VACUUM DISCS

These air freshening discs will freshen the air for up to 30 days. Great for vacuum cleaners, autos, self contained heating and air conditioning units, etc.

Suggested Uses and Directions:

APPLICATIONS	PROBLEMS	PRODUCT	RECOMMENDATIONS
Automobiles	Smoke odors	Tap-A-Drop Vac Disc Odor Block	Place 1 drop of Tap-A-Drop in ash tray or place 1 Nilaroma disc or Odor Block under seat to eliminate objectionable odors. Do not put on plastic or light colored carpet.
Clean-Up	Residual odors from cleaning products	Tap-A-Drop	Place 1 drop of Tap-A-Drop per 1000 cubic ft. Eliminates residual odor left over from the cleaners themselves.
Drain	Trap odors	Tap-A-Drop	Place 2-3 drops in or near the drain to eliminate any trap odors. Great for garbage disposals.
Fire	Burn odors	Odor Block Tap-A-Drop	Place 2-4 drops of Tap-A-Drop in kitchen or area where a small fire has occurred. Place Odor Block in proximity of odor.
Garbage	Receptacle odors	Tap-A-Drop	Use 1-2 drops/day in receptacles to control odors.
Insecticides	Residual odors from insecticide products	Tap-A-Drop	Place 1 drop of Tap-A-Drop per 1000 cubic ft. (10' x 10' x 10' room)
Kitchen	Cooking odors	Tap-A-Drop	Eliminate cooking or grease smells by placing 1 drop of Tap-A-Drop per 1000 cubic ft.
Mold/Mildew	Permanent Dampness	Tap-A-Drop Odor Block Vac Disc	Use 1 drop of Tap-A-Drop per 1000 cubic ft. Place Odor Block or Nilaroma disc for around-the-clock relief from a permanent problem due to dampness.
Paint	Residual odors	Tap-A-Drop Odor Block	Add 25 drops of Tap-A-Drop to 1 gal. of oil-based paint, place Odor Lock in proximity of odor.
Public Transport	Motion sickness, incontinent clean-up, restrooms	Tap-A-Drop	Place 1 drop of Tap-A-Drop on or near odor source in emergency situations nearby until clean-up is possible. Use follow-up as part of cleaning maintenance program.
Restrooms	All restroom odors	Tap-A-Drop Vac Disc	Place 1 drop of Tap-A-Drop near toilet or urinal (per 1000 cubic ft.) to eliminate odors for 24 hours. Conceal Odor Block or Nilaroma disc behind lavatory to avoid tampering for long-term odor relief.
Sickrooms	All odor problems	Tap-A-Drop Odor Block Vac Disc	Use 1 drop of Tap-A-Drop to eliminate any odor until clean-up is possible. Place Odor Block or Nilaroma disc for continuous odor control.
Room Odors	Room deodorization	Tap-A-Drop Vac Disc	Place 1 drop of Tap-A-Drop per 1000 cubic ft. to eliminate odors for 24 hours. Use Nilaroma disc for continuous odor control. For best results, place disc in self contained heating-air conditioning unit.

CAUTION: KEEP OUT OF THE REACH OF CHILDREN. For Professional Use Only. Not for internal consumption. If product is ingested, drink milk, water or demulcent and contact physician. If contact occurs with skin, wash with soap and water. If the product comes in contact with eyes, flush with copious amounts of water. If any irritation persists, contact physician. For additional information/precautions refer to material safety data sheet or product label.
