

## What is Breeze?

BREEZE is a strong odour-masking deodoriser, formulated for washing and mopping heavily contaminated floors and hard surfaces where a powerful residual perfume is desired.

### Key Benefits

- ✓ Distinctive sweet residual perfume
- ✓ Biodegradable detergent
- ✓ Odour-masking action is excellent in problem areas
- ✓ Re-odorises through the day

## How Does It Work?

BREEZE is a concentrate which is to be diluted with water. It has a powerful combination of detergents and perfumes that enable it to remove grime and dirt and, at the same time, leave the surface perfumed with a lingering, residual fragrance. This helps combat bad odours and lets the people using the facilities know that they have been cleaned.

### For Use On...

BREEZE can be used in tiled areas such as bathrooms, polished floors, fittings, glass and walls. BREEZE is especially useful for cleaning problem toilet areas, washrooms and bathrooms. It is also excellent for cleaning kennels and animal enclosures.

## Technical Data

### Composition

BREEZE is formulated with premium surfactants which attack and disperse soilage matter and strong perfume extracts that cling to surfaces and re-odorise throughout the day.

### Properties

COLOUR – Transparent dark green liquid  
ODOUR – Fruity fragrance  
pH = 6.5 – 7.0  
FOAM – Moderate foam action

### Environmental Care

BREEZE conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. BREEZE is non-flammable, phosphate-free and biodegradable. BREEZE containers will be cleaned and reused if returned to Agar Cleaning Systems Pty Ltd., significantly reducing plastic usage and waste. They can also be recycled.

## Colour Coding

Product identification is made easy with the Agar Colour Coding system. We have 11 different categories of product

that are identified by colour and number. The product itself has this colour. Also, the colour and number are shown:

1. On the bottle label as supplied.
  2. On the matching Dispenser Spray Bottle.
  3. On the product chart for Colour Coded Cleaning.
- This system has benefits of reducing the chance of using the wrong product, making compliance and staff training easy, showing that the correct products are being used and providing information about usage, dilution and first aid.

Product	Code Colour	Code Number	Type
BREEZE	Dark Green	6	Air freshener

BREEZE is a Colour Code 6 (Dark green) product

### Quality

The design, manufacture and supply of all Agar chemical products is controlled by the Agar Quality Management System which is registered and externally audited by SAI Global as complying with the requirements of AS/NZS ISO 9001 "Quality Management Systems – Requirements". First Certified: 30 April 1996 SAI Certificate No.: QEC7358

## Application

- For general cleaning of floors, walls, glass etc. dilute 1 part BREEZE with from 50-100 parts of water, depending on soilage. This is about 2/3 cup per wringer bucket of water.
- For treating offensive, putrid odours, remove source of odour and rinse or mop with a 1 in 10 solution of BREEZE in water. Do not rinse. For extreme odours, neat BREEZE may be applied.
- For use as an air freshener - dilute 1 part of BREEZE with 30 parts of water and spray high into the room with a hand spraygun.

Available in: 5L, 20L

### Dispensing Accessories:

500ml Printed Spray bottle – Code D06  
Trigger 500ml Bottle Plain Blue/White – Code DTR  
Hand Pump for 5L Bottle (30ml/Stroke) – Code DHP30  
Hand Pump for 20L Drum (30ml/stroke) – Code DHP20  
Tap in Cap 5L - Code DTC5  
20L Drum Tap – Code DTAP  
Tap in Cap 20L – Code DTC20

Agar Cleaning Systems maintains Safety Data Sheets (SDS) on all of its products. These sheets contain information that you may need to protect your employees and customers against health or safety hazards associated with our product. Agar Cleaning Systems recommends that you obtain a copy of the respective SDS sheet prior to using this product. The information in the Product Data Sheet is based on data we believe to be reliable. It is offered in good faith, but without guarantee, as conditions and methods of use of our product are beyond our control.
