

What is Garland?

GARLAND is a gentle hand cleanser that produces a rich lather which floats away dirt and grime, and leaves the skin soft and supple.

Key Benefits

- ✓ GARLAND is more economical than bar and other liquid soaps because there is no waste, no pilferage and less chance of over-use with GARLAND in the washroom soap dispensers
- ✓ GARLAND is gentle enough to be used throughout the day
- ✓ GARLAND leaves the hands soft and supple
- ✓ GARLAND is an attractive, premium-quality liquid hand cleanser that enhances the amenity of the washrooms in prestige buildings

How Does It Work?

GARLAND instantly produces a rich lather that floats away dirt and grime from the hands and leaves the skin soft and supple. GARLAND contains provitamin B5 and glycerine to enrich and care for the skin.

For use on...

GARLAND is a gentle hand cleanser for use in offices, washrooms and factories where moderate to light soilage must be washed from the hands.

Technical Data

Composition

GARLAND is a gentle soap containing a blend of mild coconut oil derivatives conditioned with glycerine and provitamin B5, and lightly perfumed with a floral fragrance.

Properties

APPEARANCE – Pearlescent viscous liquid
COLOUR – Pink. Will not stain clothing or porcelain basins.
ODOUR – Floral fragrance
pH = 5.2 – 6.0
FOAM – Rich, stable foam

Environmental Care

GARLAND conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. GARLAND is non-flammable, phosphate-free and biodegradable. GARLAND containers will be cleaned and reused if returned to Agar Cleaning Systems Pty Ltd., significantly reducing plastic usage and waste. They can also be recycled.

Quality

The design, manufacture and supply of all Agar chemical products is controlled by the Agar Quality Management System which is registered and externally audited by SAI Global as complying with the requirements of AS/NZS ISO 9001 "Quality Management Systems – Requirements".

First Certified: 30 April 1996

SAI Certificate No.: QEC7358

Application

- Wet hands and apply a small amount of GARLAND.
- Rub hands to produce a rich lather.
- Rinse hands and dry. GARLAND will quickly float away dirt and grime.
