NEUTRAL CLEANER

NEUTRAL LEMON FLOOR CLEANER

FOR POLISHED FLOORS

AND DELICATE SURFACES

Contains: Alcohol, C10-C16 Ethoxylated (1-5%)

Neutral Lemon Cleaner is a proprietary blend of specialised low foaming surfactants, water softening agents, anti-redeposition agents and natural orange oil as solvent booster and grease cutter.

Neutral Lemon Cleaner has been specially developed for use in floor scrubbing machines and manual floor washing operations on floors which have been sealed and polished with polymer based products. Carefully selected cleaning agents, combined with a buffered and neutral pH, ensure polished floors can be maintained without excessive loss of coating. Rave can be utilised as a multi-purpose detergent for cleaning of walls, benchtops, wooden, vinyl and kitchen surfaces etc.

Neutral Floor Cleaner:

- ✓ Cleans
- ✓ Neutral
- ✓ A unique blend of surfactants for optimum results
- ✓ No glycol ethers, no hydrocarbons
- ✓ Low foam formulation - ideal for machine application
- ✓ Bio-degradable and phosphate free
- ✓ Performs in hot or cold water
- ✓ Designed to handle hard water
- ✓ For domestic or commercial use
- ✓ Concentrated - Value for money
- ✓ Loaded with natural orange oil
- ✓ Ideal for polished floors
