Exposure Standards

Version	03
Date issued	25-Aug-21
	20051/23

Biological Monitoring	No special requirements
Engineering Controls	No special requirements
Personal Protective Equipment	No special requirements
9. PHYSICAL AND CHEMICAL P	ROPERTIES
Appearance	White, glossy, creamy viscous lotion
Odour	Slight, characteristic
Odour Threshold	No data available
рН	Balanced.
Melting Point / Freezing Point (°C)	No data available
Boiling Point / Boiling Range (°C)	No data available
Flash Point (°C)	Not applicable, not flammable
Evaporation Rate	No data available
Flammability	Not flammable
Upper/Lower Flammability or Explosive Limits	Not flammable / explosive
Vapour Pressure	No data available
Vapour Density	No data available
Relative Density (g/ml)	Approximately 0.97
Solubility	No data available
Partition Coefficient (n-octanol/water)	No data available
Auto-ignition Temperature (°C)	No data available
Decomposition Temperature (°C)	No data available
Kinematic Viscosity (cSt)	No data available
10. STABILITY AND REACTIVITY	1
Reactivity and Chemical Stability	Stable under the recommended storage conditions

Reactivity and Chemical Stability	Stable under the recommended storage conditions
Possibility of Hazardous Reactions	Hazardous reactions are not expected
Conditions to Avoid	Heating above the recommended storage conditions
Incompatible Materials	No data available
Henerdeus Deservessitien Dreduste	

Hazardous Decomposition Products No data available

11. TOXICOLOGICAL INFORMATION

Acute Toxicity	No data available
Skin Corrosion / Irritation / Sensitisation	Non-primary irritant and non-primary sensitiser
Serious Eye Damage / Irritation	Causes serious eye irritation. Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, seek medical advice.
Respiratory Sensitisation	No data available. Seek medical advice
Germ Cell Mutagenicity	No data available
Carcinogenicity	No data available

Version	03
Date issued	25-Aug-21
	20051/23

	20051/.
Reproductive Toxicity	No data available
Specific Target Organ Systemic Toxicity (STOST) - Single Exposure	No data available
Specific Target Organ Systemic Toxicity (STOST) - Repeated Exposure	No data available
Aspiration Hazard	No data available
outes of Exposure	
Swallowed	No data available
Inhalation	No data available
Skin Contact	This product is intended for use on human skin. If irritation occurs, wash affected area and discontinue use
Eye Contact	Causes serious eye irritation. Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, seek medical advice.
Early Onset Symptoms Related to Exposure	No data available
Delayed Health Effects from Exposure	No data available
Exposure Levels	No data available
Interactive Levels	No data available
12. ECOLOGICAL INFORMATIC)N
Ecotoxicity	No data available
Persistence and Degradability	No data available
Bioaccumulative Potential	No data available
Other Adverse Effects	No data available
13. DISPOSAL CONSIDERATION	NS
Disposal Methods	Disposal must be conducted in accordance with the local waste authority requirements. Th product must be contained and not disposed of into sewerage systems, drains or waterway

14. TRANSPORT INFORMATION		
UN Number	Not applicable	
Proper Shipping / Technical Name	Not applicable	
Transport Hazard Class(es)	Not applicable	
Packing Group	Not applicable	
Environmental Hazards for Transport Purposes	Not applicable	
Special Precautions for User	Store away from dangerous goods. As per Section 2	
Additional Information	Shipment is considered non-dangerous as per IATA regulation	
Hazchem / Emergency Action Code	Not applicable
