

# BORONIA DISINFECTANT

## HOSPITAL GRADE DISINFECTANT

Contains: Quaternary Ammonium Compounds 30 g/Litre

Boronia Disinfectant is a concentrated, general purpose disinfectant cleaner, designed to perform four important functions at one dilution and one application (disinfects, cleans, deodorises and re-odorises).

Boronia Disinfectant is safe to use on all surfaces compatible with water. It can be used on floors, amenity blocks, refuse areas and drains.

Boronia Disinfectant is non corrosive and will not harm the skin.
